ISSUES

(Dkt. No. 379)

On May 17, 2013, Defendant Adobe Systems Incorporated ("Adobe") filed a motion for administrative relief to file under seal its joint letter with Plaintiff Digital Reg, and Exhibits J, K, N, O, and P to the Greenblatt Adobe Declaration. (Pl.'s Mot. to Seal, Dkt. No. 379.)

Adobe e-filed a redacted version of the joint letter in compliance with Civil L.R. 79-5(c)(5). (Dkt. No. 371.) After a review of the joint letter, the Court GRANTS Adobe's request to file portions of the Joint Letter under seal, as the redacted portions are protectable as trade secrets, are privileged, or are otherwise subject to the stipulated protective order.

Adobe's request to seal Exhibits J, K, N, O, and P is also GRANTED, as they too are protectable as trade secrets, are privileged, or are otherwise subject to the stipulated protective order, and are to be filed under seal pursuant to Civil L.R. 79-5(b).

In accordance with General Order No. 62, the requesting party shall e-file under seal those exhibits deemed protected according to the procedures outlined on the ECF website.

IT IS SO ORDERED.
